KKR&KSR Institute of Technology and Sciences
(Autonomous)
Vinjanampadu, Guntur, Andhra Pradesh-522017

Approved by AICTE, New Delhi and Permanent Affiliation from JNTUK, Kakinada
Accredited with "A" Grade by NAAC & NBA Accreditation Status for 4 UG (CSE, ECE, EEE, ME) Programs

National Technology Day

1. **Objective of the Session :**

The objective of National Technology Day is to celebrate and recognize the achievements and contributions of scientists, engineers, and researchers in the field of technology and to promote technological advancements in the country. It also aims to inspire young minds to pursue careers in science and technology. . It also aims to inspire and encourage innovation, research, and development in technology to drive progress and improve the quality of life for people.

Generally, the National Technology Day is important as it highlights the significant role that technology plays in shaping our world. It recognizes and celebrates technological innovations that have contributed to societal development and economic growth. The day also serves as a reminder of the importance of investing in research and development to drive technological advancements for a better future.

2. **About the Resource Person:**

Dr Nageswara Rao Moparthi, Started the carrier with the software industry including On Site in USA and shifted to academics for the passion on teaching. Played the various roles from Software Engineer to Project Lead in the software Industry and turn to ERP dovelopement in KL University as a project lead (Automation) . Working as Asssociate CTO for University (ERP) complete modules , provide exceptional contributions to students in the coding area's (Hacker Rank Hacker Earth & Code chef etc.) based on Formative / Summative Assessments to make student ready for the IT-Industry for their carrier growth . Dr Nageswara Rao Moparthi , Research areas are Software Engineering, Data Mining, Data scientist , Machine learning & Reviewer for 5 SCI , 6 Scopus Int.

Jounrals 5 EBM's. Articulate and ongoing communicator with excellent interpersonal skills.

3. Date & Venue of the Event:

This event is organized through Online by Microsoft Teams platform For the students of KKR & KSR Institute of Technology and Sciences , Vinjanampadu, Guntur, Andhra Pradesh in AICTE Idea Labs from 11th May-2024. .

4. No. of Participants:78

7. Benefits of a Guest Lecture on "How to Enhance Coding Skills":

Celebrating National Technology Day during a session for students can provide the following benefits :

1. Inspire students to pursue careers in technology and innovation
2. Gain insights and tips from an expert in coding.
3. Learn new techniques to improve coding efficiency.
4. Get practical advice on how to enhance problem-solving skills.
5. Network with professionals in the coding industry.
6. Stay updated on the latest trends and technologies in coding.
7. Increase motivation and inspiration to excel in coding.
8. Raise awareness about the importance of technology in addressing global challenges.
9. Promote collaboration and networking among students interested in technology.
10. Provide a platform for students to present their technological projects and ideas.
11. Motivate students to engage in research and development activities to drive innovation.
