**ANTI RAGGING COMMITTEE**

The college has Discipline & Anti ragging Committees. The institute and all the functions of the institute should function in a defined system. To create an appreciable environment to the process of Teaching and Learning and to the mandatory functional flows of the University, while the disciplinary functions of the employees are taken care by the institutional management, the disciplinary and anti ragging functions of the student are taken care by the disciplinary cell of the institute. A Senior Professor is in-charge of the cell and supported by number of faculty members from all the departments catering to all the students of all courses. The cell basically works on the following model for the student disciplinary functions. Anti ragging is one of the important and mandatory functions of the institute there is a Standing committee at the institute to look into the anti ragging cases. The committee counsels the students for anti ragging and follows the principle of preventive actions. The students involved in ragging are punished as per the regulations. Students were counseled consistently regarding proper dress, tuck-in and wearing of Identity card. Cell phones are prohibited into the college for the students. Undertaking from the parents of the students who were indulged in any in-disciplinary activities.

**The basic functions of the cell**

1. To create self-confidence and congenial environment among the newly admitted students by way of conducting frequent interactive sessions to clear the doubts related to academic matters, social interaction and compatibility.
2. The "Discipline & Anti Ragging Committee Cell" provides a ragging free campus for newly admitted students to have a pleasant and fruitful academic stay in this college.
3. Faculty is deputed at various locations inside the college campus to monitor the student activities. Faculty sees that no student groups are formed and if any are observed, the group is dispersed to avoid any nuisance.
4. The punishment for ragging is displayed at various places to make the students aware of seriousness of the administration for preventing ragging.
5. To conduct an enquiry and identify the culprits on receipt of complaint.
6. Based on the first hand information and prime-facie evidence, the committee submits its report to the Principal for necessary disciplinary action.
7. Severe punishment will be imposed on the accused, if proven.

**Department Association**

The Democratic set-up of KITS is extensive with Six Departments – Department of Sciences and Humanities (S&H), Department of Civil Engineering (CE), Department of Electrical and Electronics Engineering (EEE), Department of Mechanical Engineering (ME), Department of Electronics and Communications Engineering (ECE) and Department of Computer Science and Engineering (CSE). Each Department is headed by a senior professor and is given fullest freedom to innovate and plan its perspectives of development. Organizational hierarchy is maintained to ensure administrative harmony. Empowerment through total decentralization of the departmental administrative system into several committees and units headed by senior faculty, promotes cooperation, sharing of knowledge and innovations. As a part of this each Department has its own Association with a specific identity. The Civil Engineering Department Association is "CEA", the Electrical and Electronics Engineering Department Association is "VOLTA", the Mechanical Engineering Association is "MESA", the Electrical and Communications Engineering Association is "SPACE" and the Department of Computer Science and Engineering Association is "INFOMAC". These Departmental Associations are formed to conduct various events both for the Students and Faculty members to enrich the Knowledge along with the curriculum. To monitor and to manage all these departmental activities a committee is constituted with the following members.

**Internal Complaint Committee-ICC**

The college has Internal Complaint Committees. The institute and all the functions of the institute should function in a defined system. To create an appreciable environment to the process of Teaching and Learning and to the mandatory functional flows of the University, while the disciplinary functions of the employees are taken care by the institutional management, the disciplinary and anti ragging functions of the student are taken care by the disciplinary cell of the institute. A Senior Professor is in-charge of the cell and supported by number of faculty members from all the departments catering to all the students of all courses. The cell basically works on the following model for the student disciplinary functions. Anti ragging is one of the important and mandatory functions of the institute there is a Standing committee at the institute to look into the anti ragging cases. The committee counsels the students and follows the principle of preventive actions. Cell phones are prohibited into the college for the students. Undertaking from the parents of the students who were indulged in any in-disciplinary activities.

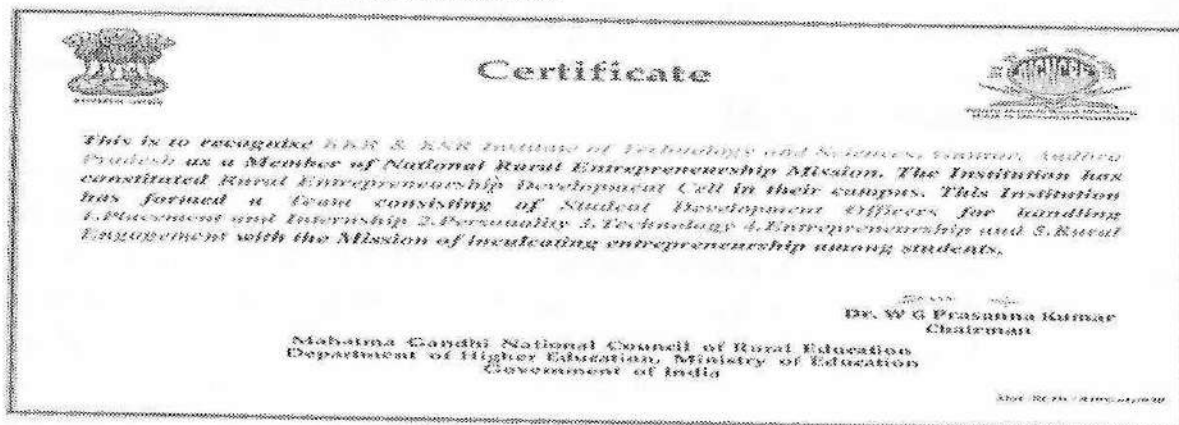

**The basic functions of the cell**

To create self-confidence and congenial environment among the newly admitted students by way of conducting frequent interactive sessions to clear the doubts related to academic matters, social interaction and compatibility.

- Faculty is deputed to monitor the student activities. Faculty sees that no student groups are formed and if any are observed, the group is dispersed to avoid any nuisance.
- To conduct an enquiry and identify the culprits on receipt of complaint.
- Based on the first hand information and prime-facie evidence, the committee submits its report to the Principal for necessary disciplinary action.
- Severe punishment will be imposed on the accused, if proven.
