Farewell Message to Our Outgoing Batch (2013-17)

As you leave the four walls of this college, this community and KITS family, we should give you a farewell message that you must take with you as leave to face the world as our ambassadors. While you were here, you learnt so many things from everyone within this college and your lives have been affected and touched by all that you imbibed from being students of KKR & KSR Institute of technology and sciences. Learn to be yourself always no matter the circumstance, be principled, and be worthy of trust. A man is educated when he knows how to live, how to hope, how to pray, and is not afraid to die. As an educated person, watch the company you keep, for evil company corrupts good manners. Cultivate the virtue of patience, never be too much in a hurry, your time will come just be patient and be focused. Do not be afraid of hard work as enduring success is guaranteed by hard work. Be prepared to be of service to both God and man. Be decent and modest in your appearance, in your speech and in all your actions; these make the difference between a man of honor and a man of the world. We have no doubt in mind that if you could pattern your lives after the above principles, you will succeed wherever you find yourselves. There is a saying that everything that has a beginning must have an end, you began a journey through this college and have come to its end. It is always a difficult task to say goodbye to dear ones but the KITS family has no choice but to bid you farewell, we shall miss you but it is time for you to leave us. We wish that you be the very best in all your life's endeavors. As you go, may God bless all of YOU. Wishing you luck as we bid you GOOD BYE!!!
