APSSDC: Andhra Pradesh State Skill Development Corporation

APSSDC is a Skill Development Centre (SDC), which is an initiative of Government of Andhra Pradesh conducted by AP State Skill Development Corporation (APSSDC) in coordination with APSCHE and various Universities. SDC is a center where Government, University and industry interaction takes place in transferring industry-grade skills to the students making them better employable.

KKR&KSR Institute of Science and Technology is very happy to take part in this program and work with APSSDC on 31-01-2015. The institute appointed **Dr M.S.S.Sai** as a residential SDC Coordinator to get the projects supervised and interact with college management & administration and APSSDC team to attend to the needs of the program. APSSDC conducts online trainings for various departments in various year students with mentors in our esteemed organization. Moreover it provides participation certificates for the students who are attended for online training classes.

The online training programs are shown below.

SIP (Student Improvement Program):
