

**Department of Computer Science and Engineering**

---

**Faculty Orientation Programme**

**On**

**Research Guidance and Project Funding Opportunities**

**Date:** 30 June, 2017

**Time:** 4:30 PM to 6:00 PM

**Venue:** KKR & KSR INSTITUTE OF TECHNOLOGY & SCIENCES, Vinjanampadu.

**Event Coordinator:** Dr. Ch. Aruna

**Resource Person:** Dr. C. Krishna Mohan, Associate Professor, IIT Hyderabad

**Event Description:** The event covers the following areas

**What is a research grant?**

Research grants are suitable for focused research projects that may be short- or long-term in nature. In addition, they can be used to support method development or development and continuation of research facilities and may involve more than one research group or institution.

**Who can apply?**

The minimum academic qualification required is a graduate degree, although usually a PhD is required. Less experienced researchers should apply in collaboration with a more senior colleague. The applicant(s) must demonstrate that they will direct the proposed research and be actively engaged in the work.

**Financial support**

Under the research grant scheme you may request support for a period of up to five years, which can include:

- The salary of the principal investigator and co-investigators
- Support for additional posts - research, technical or other consumables
- Equipment
- Travel costs
- Data preservation, data sharing and dissemination costs.

**Assessment procedure**

The proposal will be peer reviewed by independent scientific experts from the UK and overseas. Reviews are based around three core criteria:

**Importance:** how important are the questions, or gaps in knowledge, that are being addressed?

**Scientific potential:** what are the prospects for good scientific progress?

**Resources requested:** are the funds requested essential for the work, and do the importance and scientific potential justify funding on the scale requested?

**H.O.D.**
