A Two Day Workshop
On
Life Skills and Leadership

Date: 30th – 31st July, 2016
Event: A Two Day Workshop
Time: 9:00 AM to 5:30 PM
Venue: KKR & KSR INSTITUTE OF TECHNOLOGY & SCIENCES, Vinjanampadu.
Organized By: CSE Department
Event Description:

Lead India 2020 is working on empowering youth to take up initiatives and inspiring them to become good leaders. Mission of Lead India is to make Youth as National Assets…In this process we found college students needed guidance and direction to realize their potential. They are capable of becoming entrepreneurs, Leaders and successful persons. But only 5% of the student population are getting into right track and leading towards correct goal and with good vision. 95% candidates are attending the colleges without big goals, without high ambition and without clarity about their future career path. This attitude of students is developed because we have moved far from our invaluable principles of ancient India.

The resource persons visited for this event are

Mr. K. Prabhakar, Associate Vice Precident –Data & Analytics, Mr.Sudhakar, Lead India Team Leader
Mr.yatendra, Senior Reasearch Analyst, Mr. Krishna Kanth Software Quality Analyst,
