About the Department

The KKR & KSR Institute of Technology and Sciences was established Computer Science and Engineering stream in the year of 2008. The Department of Computer Science and Engineering educates knowledge of computer and its engineering. Almost all fields are computerized to have an ease of handling the problems of designing, manufacturing, maintenance, servicing, researching, marketing and accounting. The B.Tech computer engineering program includes computer operations on different languages, data generation, collection and utilization of information. The Department is implementing OBE based education.

Vision	Mission
To become a reputed center in computer Science and systems engineering for quality, competency and social responsibility	<ol style="list-style-type: none">1. Providing a strong theoretical and practical education in a congenial environment.2. Providing additional skills and training to meet the current needs of the industry.3. Inculcating ethical values to meet the challenges of life with courage and confidence.

Department of CSE organised 36-Hrs Hackathon on Robotics from 26.09.24 to 28.09.24 for II Year Students by Mr.SRK Mahan and Team, Hackboats, Hyderabad.

Description:

Department of CSE organised 36-Hrs Hackathon on Robotics from 26.09.24 to 28.09.24 for II Year Students by Mr.SRK Mahan and Team from Hackboats, Hyderabad and gave the cash prizes to the Best Teams at KITS Guntur. Robots perform basic and repetitive tasks with greater efficiency and accuracy than humans, making them ideal for industries like manufacturing. However, the introduction of artificial intelligence in robotics has given robots the ability to handle increasingly complex situations in various industries. The main goal of a Hackathon is to create a working prototype for a product or feature in a short amount of time. Hackathons are collaborative events where teams of technical experts work together to solve problems and design innovative solutions.

Team Members of Event:

Shri Koye Subbarao, Chief Parton, Chairman
Shri Koyi Shekar, Chief Parton, Secretary
Dr. P. Babu, Parton, Principal
Dr. K Hari Babu, Parton, Academic Director
Convenor: Prof. R. Ramesh, HOD, Dept of CSE

Resource Persons: Mr.SRK Mahan and Team, Hackboats, Hyderabad

Participants: 210 Students participated from II year, Department of CSE.

However, the introduction of artificial intelligence in robotics has given robots the ability to handle increasingly complex situations in various industries. The goal of the ideathon is to provide a platform for Students to present their innovative ideas in a startup-like setting and receive feedback, mentorship, and potential investment opportunities. By organizing an ideathon, Colleges can engage with a wide range of Students who bring fresh perspectives and ideas to the table.
