WHERE PLACEMENTS ARE GUARANTEED

Training and Placement cell at KITS offers to bridge over the gap between the requirements of the corporate houses and the need and skill of the students seeking employability. The cell coordinates, headed by a Training & Placement Officer, guides students in different aspects and advises required during their placement interviews. They teach interview techniques, handling and soft skills as well as conduct training sessions, pre-placement talks, before tests, counseling, group discussions, etc. They act as a guide to our students' employability.

WHERE SUCCESS IS ASSURED IN ALL FORMATS

We have designed our curriculum in such a way that by just studying under KITS's roof, our students get great skills and talents. They come out with strong culture whenever they step out. The college has gained multiple accolades with its best outcomes in awarding students for their projects and job applications.

Moreover, our Employment Service makes vocational guidance and assists students in securing employment. Counseling and orientation about industries, technologies and trends are always available in India and abroad through the career development of the faculty. They are conducted computer training through their efforts with different courses, placement parties and online job portals. Apart from providing information on various courses and universities, the Service also prepares Employment Orientation Bulletin to help students in their Vocational Planning.
