## “Pre Hackathon for SMART INDIA HACKATHON-2020.”

On 4<sup>th</sup> February 2020

### 1. Objectives of theEvent:

The main aim of pre-hackathonis to develop Innovative skills in their minds. Intense problem-solving environments like pre-hackathon facilitate the creation of innovative ideas and concepts. The main idea behind a pre-hackathon is to identify a problem and work collaboratively to create technologies that solve that problem. This pre-hackathon provides an opportunity for participants to learn something new and the participants have the prizes to innovative ideas and according to their presentation.

### 2. Venue of the Event:

The event is organized in **Groundfloor Seminar hall**of KKR & KSR Institute of Technology and Sciences, Vinjanampadu, Guntur, Andhra Pradesh.

**8. One Participant Feedback:**

I am **K.Rajendra**, studying 3<sup>rd</sup>B.Tech ECE department in KKR &KSR Institute of Technology and Sciences. I have attended the one day workshop on “**IPR on Fourth Industrial Revolution**” First of all I want to thank my college management who provided such facility for all of us to learn and experience these workshops. In this regard my sincere thanks to AICTE-MHRD-IIC, who have been conducting such type of events for the student nourishment. I attended the workshop on 4<sup>th</sup>February 2020. I learn the following key concepts from the workshop conducted on IPR on Fourth Industrial Revolution. **Promotion of the Event on the Social Media Website: (Link and Screenshot):**
