(Approved by AICTE, New Delhi, Affiliated to JNTU Kakinada, Accredited by NBA & NAAC with 'A' Grade)  
DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

### Workshop "Simulation of Electrical systems by using MATLAB And PROTEUS"

During

27-01-2020 to 29-01-2020

by

**Mr. Esvar, Simulation Engineer, Takeoff group, Tirupathi**

The department of EEE organized a Workshop "Simulation of Electrical system by using MATLAB And PROTEUS" in which the resource person Explained about the Simulation of Electrical systems by using MATLAB and Proteus and different circuits of power electronic rectifiers, inverters and some solar panels had been simulated in respective Simulation softwares. In which this workshop is very helpful for final year students to complete their respective projects.
