**Department of CSD Organized a NSS Special Camp from 01/02/2024 To
07/02/2024.**

About the event:

The NSS special camp event is an embodiment of service, community engagement, and social responsibility. It brings together enthusiastic volunteers dedicated to making a tangible difference in society. These camps serve as platforms for volunteers to immerse themselves in hands-on activities aimed at uplifting underserved communities. From conducting health awareness sessions to spearheading environmental conservation initiatives, each activity is a step towards holistic development. Through teamwork and collaboration, NSS volunteers foster a spirit of unity and camaraderie while addressing pressing societal challenges. The impact of these camps extends far beyond their duration, leaving a lasting legacy of positive change. By actively engaging with local communities, volunteers gain valuable insights into diverse social issues and develop empathy and compassion. NSS special camp events serve as catalysts for personal growth, empowering volunteers to become agents of change in their communities and beyond. Through their collective efforts, they exemplify the NSS motto of "Not Me but You," embodying the ethos of selfless service and altruism. In essence, NSS special camp events epitomize the transformative power of service and the potential for positive change through grassroots action.

Chief Guest: Dr.P.Babu

Dr.P.Babu, was born on 30th July in 1963 at a small village, Bobbepalli in Prakasam District . He pursued his Bachelor of Engineering in Civil Engineering at the

historical Andhra University and Master of Engineering in at Annamalai University. He completed his Ph.D. in CIVIL Engineering from Andhra University. He is well equipped with skills in both industry and academics. During his vast service of teaching, he has trained quite a good number of students who are now enjoying bright positions. He has guided a good number of scholars in their Research Work and published various articles in National and International Journals. Dr.P.Babu plays a key role in the successful journey of KKR and KSR Institute of Technology and Sciences. He has always been a part of the innovative policies implemented for the progress of the Institute. He is a successful captain with his team of staff members in adding many glories to the institute. He ably organizes the system and contributes his might to the overall development of students as well as the institute. He acted as a member of ISTE and IGS. He has served as a structural designer for public and private buildings which include Iconic Acharya Nagarjuna University, Market Yard, Panchayat Raj department, Various engineering colleges and apartments. But his passion and ambition bounded him with sentiment to work at this esteemed institute as the principal.
