

INSTITUTIONAL DISTINCTIVENESS

Describe/Explain the performance of the institution in one area distinctive to its vision, priority and thrust.

DISTINCTIVENESS

The institute is driven by a clear vision: "to enrich society through education by developing globally competent individuals who can earn an honorable livelihood, whether at home or abroad, and contribute meaningfully to socio-economic progress and societal welfare." Alongside preparing students with the core skills needed to navigate global challenges, the institute fosters an understanding of, and commitment to, socio-economic development and societal well-being.

Through capacity and character building, the institute supports national development, leading in community service and instilling values in young minds to cultivate integrity and responsibility. The institute fulfills its social responsibility and inspires students to adopt these principles in their own lives.

- Donated Money in association with staff and students towards for the needy people in the society.
- Offers "POOR Scholarships" to help the students in pursuing graduation. They, in turn, with their own experience, are requested to help the poor, when they settle in life.

In autonomous regulations, participation in NSS/NCC is made mandatory for all students. Initial NSS unit functioning in the college, is to involve entire student community in serving the society. The institute, through NSS unit, organizes various activities for the benefit of the society and there by inculcating the service motto in the students.
