The chairman welcomed all the members of Board of Studies in the meeting. The meeting started with a briefing of agenda points approved by chairman of BOS. The BOS members have made the following suggestions for course structure and syllabus of **R23 M.Tech.(DS)**:

1. Acceptance of semester wise R23 M.Tech course structure with the following changes:
 - i) It is suggested by BOS members to remove the course "Data Wrangling & Visualization" from first semester and to include a course on data storage and analysis in the back end.
 - ii) "Data Analytics with SQL & Excel" is included in to the course structure as per the suggestion mentioned in i.

- iii) It is suggested by BOS members to remove the course "Digital Forensics" from third semester and to include an advanced course in place of it.
 - iv) "AI chatbots" is included in to the course structure as per the suggestion mentioned in iii.
2. Semester wise M.Tech. syllabus is approved by BOS members.
3. Additionally, the following resolutions were made in the meeting:
- i) Industry expert suggested to arrange expert talks on emerging fields on a regular basis.
 - ii) Laboratory courses should be designed carefully by including challenging experiments.
 - iii) JNTUK nominee has suggested to include latest edition textbooks only.

The meeting concluded with a vote of thanks by Prof. R. Ramesh, Head of the Department, CSE.
