

ENTREPRENEURIAL ACTIVITIES CONDUCTED IN ACADEMIC YEAR (2021-22)

CYBER SECURITY & ETHICAL HACKING WORKSHOP

The Event collaboration with Supraja Technologies, organized a 3-day offline workshop on "Cyber Security & Ethical Hacking" from March 21-23, 2022. The workshop covered ethical hacking techniques to identify security threats and prevent cybercrimes. With the rising cyber threats globally, organizations must continuously upgrade their security measures to prevent breaches and data theft

A 3-Day Workshop On CYBER SECURITY & ETHICAL HACKING
(21th Mar, 2022 to 23rd Mar, 2022)

E-ZAVEST

Santosh Chaluvadi inspired students by sharing his entrepreneurial journey, emphasizing uniqueness, persistence, and self-motivation. He recounted starting as a delivery boy and later earning a place in the **Limca Book of Records**, highlighting the importance of problem-solving and vision. The event was graced by the **college chairman, director, and secretary**, who reinforced the significance of the **E-Cell**.

E- ZAVEST (8th February, 2021)

E-KRISHI

Final-year students showcased innovative prototypes, including Agri Jawan, Agriculture Scorpion, and Bomb Sensing Drones. Phani Kumar Samineni discussed Agripreneurship, Contract Farming, and Mechanization, highlighting agriculture's potential for growth. He inspired students with the idea that "Nothing is wasted—everything can be converted into money."

E – KRISHI (14th March, 2022)

E – SAMYUKTH

Jayasree Garikipati inspired students with her entrepreneurial journey, emphasizing **women's empowerment, financial independence, and business scaling**. She highlighted **personality traits, problem-solving, and ethical entrepreneurship**, encouraging students to pursue careers beyond social constraints. The session concluded with insights from the **college leadership** on entrepreneurship.

E – SAMYUKTH (3rd November, 2021)

E – SAMOGH

Ramakrishna Rao emphasized that entrepreneurs should build India's economy over personal fortune, focusing on business success, market potential, and policy compliance. He highlighted the ease of doing business in India and the role of enterprises in national development. The event concluded with insights from the college leadership.
