August - 2016 A Brief Intro about Department
KKR & KSR Institute of Technology & Sciences

HOD's Message:

Prof. R.Ramesh

Prof. R. Ramesh, the main backbone of the course is educating the student's knowledge of computer and its engineering as almost all fields are computerized to have ease of handling the problems of designing, manufacturing, maintenance, servicing, researching, marketing and accounting.

His only motto is to make students expertise in Computer Engineering Program includes computer operations on different languages, data generation, collection and utilization of information.

Dr.M.S.S.Sai

Dr.M.S.S.Sai is from Department of Computer Sc. & Engineering and he opines that this department will excel nationally and distinguish itself as a recognized pre-eminent leader in imparting knowledge to students and establish State of the Art Research centre in its domain.

His sole mission is to develop students to be competent and professional solution providers, Competent to learn Emerging Technology, yet be Responsible citizens who will create wealth for the nation.

Staff Achievements:

- ❖ **Mr. Veera RaghavaRao Atukuri**, Associate Professor has presented his Research paper titled “*A Comparative Study of Load Balancing Algorithms of cloud data and applying data analytics on cloud: A Paradigm shift*” and received best presenter from the conference team. On Aug 29th and 30th 2016, an international conference has been conducted by Science, Technology and Management in KualaLampur, Malaysia.

- ❖ **Prof. R. Ramesh, Dr. M.S.S.Sai, Mr.M.Suresh, Mrs.B.Bhavani, Mrs.D.Jhansi Rani, Mrs.K.Madhuri, Mrs.Sk.Shammi Munnisa, Ms. V.N.V.Swathi** has attended the Faculty Development Program on “*Essentials of Big Data*” in Thirumala Engineering College, Narasaraopeta on 11th & 12th August, 2016.
- ❖ **Dr. Ch. Aruna** has attended the Symposium on “*IoT and IEEE standards*” on 18th August, 2016. Organized by IEEE Hyderabad chapter.

Events:

BIG DATA ANALYTICS

On August 5th, 2016 (Friday), An one Day Seminar was conducted on “ BIG DATA ANALYTICS” by Dr.R.B.V.SUBRAMANYAM Prof in Department of Computer Science & Engineering from National Institute of Technology (NIT), Warangal. From his seminar students gained the knowledge what is Big Data and why it is essential in the real world. He explained every concept of BigData in a well defined way with clear examples.

UP-COMING EVENTS:

- ❖ Inauguration CSI Student Chapter
- ❖ Guest Lecture on “Progressive Based Content Retrieval Systems” by Dr. D. Rajya Lakshmi (Vice-Principal, JNTUKN)
- ❖ NPTEL local chapter for students
- ❖ Center of Excellence for Big Data Analytics
- ❖ Center of Excellence for Cloud Computing
