

Department of Computer Science & Engineering**Journals:**

- **Dr.P.Indira Priyadarsini:**

1. Published a paper in international journal with a paper titled "Fuzzy Based Feature Selection for Intrusion Detection System ",in IJERCSE, Vol.no. 4, Issue.11.ISSN: 23942320, November,2017.
 2. Published a paper in international journal with a paper titled "Chock a block survey on Dimensionality Reduction Methods ",in JARDCS, Vol.no.9, November,2017.
- Published a paper in international journal with a paper titled "Outlier frame discovery via arbitrary chart design models and applications ",in IJITR, Vol.no. 5, Issue.5, Aug-Sep 2017.

S.No	Name Of The Faculty
1.	Mr.M.Nagaraju
2.	Mr.J.N.Chandra Sekhar

- **Mrs.B.Bhavani**

Published a paper in international journal with a paper titled "Linking and Recovering the Information of the User Sims for First Discontinued to the Latest using Big Data ",in IJFRCSCE, Vol.no. 3, Issue.11, November 2017.

International Conferences:

- **Dr.P.Indira Priyadarsini:**

Attended and Presented a paper" Fuzzy Based Feature Selection for Intrusion Detection System " on International Conference ICASET-17 on 2nd -3rd Nov,2017.

- **Mr.R.V.Kishore Kumar**

Attended and Presented a paper" Distinguish DDoS Attacks and Suggesting Some Counter Measures for Distributed P2P Networks" on International Conference ICASET-17 on 2nd -3rd Nov,2017.
