The International Women's Day was celebrated at KKR & KSR institute of technology and sciences-Guntur-AP, on 8th March, 2022. The purpose of celebrating Women's Day is – To raise awareness about the status and dignity of women among the staff and students.

Dance program (solo&group) was conducted on Women's day in morning and many of the students had participated for that. It was interesting to know that few boys have also participated in the arrangements. After the completion of Dance competition, a short program, skit, was conducted in the seminar hall of our college.

At the beginning of program our respected Principal Sir Mr. Dr.Babu and respected sir Director Sir Dr.Haribabu garu gave a short speech on Women's day. Then some fun events were designed in the form of spot games.
